CAREER OBJECTIVE

Seeking an opportunity to enhance my knowledge and gain valuable experience while leveraging my strong interpersonal skills, analytical abilities, and development expertise. Committed to contributing to organizational goals through effective collaboration, problem-solving, and continuous learning.

TECHNICAL SKILLS

Programming Languages: C, C++ , Python, SQL, Data Structures, Algorithms

Web Technologies : HTML, CSS, JavaScript ,React.js

Soft Skills: Leadership, Problem Solver, Team Player, Adaptability ,Great Communicator

Coding Profiles: [LeetCode](#) , [HackerRank](#) , [CodeChef](#) , [SmartInterviews](#)

PROJECTS

ShopHub

Tech Stack - Node.js, React, MongoDB (MERN)

[Project Link](#)

- Implemented user authentication and authorization with secure password hashing and role-based access control, improving application security by 90% and ensuring proper access management for different user roles.
- Designed and integrated product filtering and search features, enhancing product discoverability and enabling users to efficiently search and select products using categories and specific criteria.

Insurance cost prediction

Tech Stack - Python Libraries like NumPy, Pandas, Sklearn

[Project Link](#)

- Developed a predictive model to estimate medical insurance costs by analyzing factors such as age, gender, BMI, and number of children, using data preprocessing for accurate predictions.

Portfolio

Tech Stack - React, CSS, JavaScript

[Project Link](#)

- The project leverages React component-based architecture to efficiently manage dynamic content, facilitating seamless updates and maintenance. Integrated smooth animations and transitions.

INTERNSHIP

Salesforce Developer Virtual Internship

Jul 2024 – Aug 2024

SmartInternz ([Link](#))

- Achieved Super Badges for Apex Specialist, Process Automation Specialist, and Developer Super Set, showcasing advanced Salesforce development skills.
- Gained expertise in Lightning Web Components (LWC), Apex, and Process Automation during an 8-week Salesforce Developer Virtual Internship.

EDUCATION

Prasad V. Potluri Siddhartha Institute of Technology

Dec 2021 – May 2025

Bachelor of Technology in Computer Science and Engineering, CGPA - 8.0

Narayana Junior College

Jun 2019 – May 2021

Intermediate, PCM, Percentage - 94.5

Narayana High School

Jun 2018 – Apr 2019

Secondary Education, GPA - 9.8

CERTIFICATIONS

- Achieved Certificate in Problem Solving Through Programming in C - NPTEL [Link](#)
- Earned **Smart Coder** Certificate from Smart Interviews, recognizing strong skills in DSA. [Link](#)
- Acquired **PCAP** Programming Essentials in Python Certification from Cisco Network Academy. [Link](#)

POSITION OF RESPONSIBILITIES & ACHIEVEMENTS

- Leader of ShopHub development, an eCommerce platform built on the MERN stack.
- Achieved a 5 star rating in Problem Solving on HackerRank by excelling in algorithms and complex challenges.
